G.T. Cozad III Joins Midwest BankCentre's Legal Board of Directors

ST. LOUIS (Aug. 16, 2022) – **G.T. Cozad III**, president of **Cozad Commercial Real Estate, Ltd.** and **Cozad Property Management Co.**, has been elected to the legal board of directors of **Midwest BankCentre**. Cozad's real estate expertise will help Midwest BankCentre accelerate its progress toward the shared prosperity it is creating through high-impact local community banking.

He leads Cozad's brokerage, property management and marketing initiatives. Cozad serves commercial real estate clients, develops new business and supports human resource initiatives, including employee development. Founded in 1987, the Cozad companies help clients with their commercial and industrial real estate needs and provide property management services to building owners. Under his leadership, Cozad has grown to rank among the top-producing real estate and property management companies in the region. Cozad manages about four million square feet of property in the St. Louis area.

Cozad serves on the boards of Carr Lane Manufacturing, Korte Construction and the YMCA of the Ozarks. He has served as an advisory board member and golf chair for the World Pediatric Project. He was recently president of the Rossman

School board of directors and previously real estate chair and board member for Easterseals Midwest.

Cozad graduated with a bachelor's degree in business management from Purdue University in West Lafayette, Ind., and received his master's degree in business administration from Saint Louis University.
